Re: Request For Public Records

To Whom It May Concern:

This letter serves as a follow-up to your August 23, 2019 request seeking access to "Incident Detail Reports, which describe Gaggle violations and when they happen."

On July 26, I sent a letter addressed to Caroline Haskins at the address above. In the July 26 letter, there were four points that were addressed. Item number three provided the information that you requested in your August 23 letter. If Ms. Haskins did not receive the letter and attachments, then please contact me and I will send a copy of that letter and attachments.

Sincerely,

Jud Wolfe
Assistant Superintendent
